Japan Earthquake/Tsunami Funds

東日本大震災・津波義捐金のお願い

Japan's recent earthquakes and tsunami caused over 40,000 deaths and missing people, and over 200,000 are still in shelters with extreme sorrow for families, houses, jobs and all else. In addition, tens of millions of people in Japan still suffer from shortage of gas, electricity, water, food and medicine for elderly, patients and babies.

The Japanese Chamber of Commerce of Georgia (JCCG) established the "Japan Earthquake/Tsunami Funds" to help support the victims of Japan earthquake and tsunami. We will donate 100% of collected funds to the Japanese Red Cross Society for the Japan earthquake and tsunami victims.

If you would like to donate, please prepare a check payable to "Japanese Chamber of Commerce of Georgia" and please note "Japan Earthquake/Tsunami Funds" on the memo line of the check. Please send the prepared check to the JCCG office with the Fund Donation Form.

JCCG will continue to support the victims of the Japan earthquake and Tsunami. We will continue to accept your donations. Please help us support the victims and the recovery of Northeast Japan by donations to this worthy cause.
